Request for Permission to Bring a Cell Phone and/or other Two-Way Communication Device to School

Permission to bring a cell phone/device to school for the use of students must be authorized by the Principal and used for emergency only. If a student needs a cell phone/device after school due entering a house where no one is home, or attending sport practices or games, a parent must submit this written request. If permission is given, the student must bring the cell phone/device to the office upon arrival in the morning in the off position for the day. The cell phone/device may be picked up by the student at dismissal. At NO time during the day should a cell phone/device be in a student's locker or in his/her possession. If a student is in Extended Day, the Aftercare teacher will have possession of the phone. Cell phones are not permitted on fieldtrips. Cell phones/devices will be taken away from students if these guidelines are not followed and will be returned to the parent(s)/guardian(s) after a conference with the principal. Additional disciplinary action may be taken.

I understand permission to bring a cell phone/device to school is a privilege, not a right.
