

ST. PETER CATHOLIC SCHOOL SCRIP PROGRAM

- The scrip program offers you the convenience to purchase gift cards online and receive credit for your purchases. The credit you earn will be applied to your child's tuition. How does this work? By purchasing gift cards through this program, you earn rebates from the participating retailers. Retailer rebates range from 2%-20%.
 - Example: You purchase approximately \$3000/year or \$250/month of Safeway groceries. With a 5% Safeway rebate you will earn a \$150 credit for your child's tuition.
- Every K-8 family is charged a \$150 scrip fee in their tuition agreement. Preschool families are *not* charged a scrip fee.
- Preschool through 8th grade families may participate in the scrip program. Participation is not mandatory.
- Scrip credit earned by a family during the school year will be applied to the *following* year's tuition.
 - If your child does not return to SPCS, the scrip credit is forfeited to the school.
 - If your child is in eighth grade with no younger sibling, your earned scrip credit may be applied to the eighth grade senior trip or applied to your final monthly tuition payments.
- Orders are placed from the school office typically on the first and third Friday of each month. Dates may change if there is no school scheduled on order or delivery dates of gift cards.
