Keep Watch with Me - Breanne Rutherford

Not an actual committee but a ministry for the school. Prayers are placed in the white box outside the school office. They take the box to adoration and pray over the intentions in the box, students and staff. When the box is removed the name of who is praying over them is written on the white board behind it. So students will know who is currently praying for them when the box is missing. Teachers can take the box with them when they take their students to adoration and they can pray as well.

New Committee: Special Events Committee - Laura Howard

A new committee is needing to be formed and a lead needs to be appointed and a committee to be formed. The Special Events Committee currently only has two events on the books but more could be added down the road. The Father/Daughter dance in January and Mother/son dance in April. This will be a school only event as of right now. Please contact Laura.Howard@petertherock.org if you are interested in helping and or running the committee.

Principal Corner - Mrs Brook

Bringing more “family” back to St Peter. Dedicating once a month for a buddies event. Along with Families are being brought back. Each family has at least one student from each grade from K-8th, with 8th grade leading the activity and or discussion.

A parent is very passionate about Adoration and once a month will be teaching each class more about adoration and taking them to adoration. Starting in October

Final Thoughts: Laura Howard

As you can see we always have something going on. We can't make everything happen without you, our parents, our volunteers. You are the backbone of our school, without you we couldn't do 99% of the activities and events for the students and community. If you would like to volunteer in any of these events please contact the POC or Laura Howard and she can direct you to the right person.

Next Meeting November 6 at 5:30pm.
